The transition to a new school opens up exciting opportunities to learn and grow. A priority at Warrandyte High School is to help students deal with these new challenges, ensuring that transition is a happy and positive experience. Classroom teachers, the peer support of older students, an excellent pastoral program and student support team enables students to develop effective relations with staff and each other. Active involvement in sport education, music and extra-curricula activities engenders confidence and helps students feel part of the school. Systematic tracking of student performance by teams of teachers enables students to effectively learn. This deep knowledge of individual learning needs means that learning tasks can be targeted to individuals.

Warrandyte High School enjoys a natural setting featuring indigenous flora, landscaped passive areas and redeveloped sporting grounds all within a short drive to central Melbourne.

The buildings, featuring a library, VCE Study Centre and flexible learning space, are modern and aesthetically pleasing, with all classrooms heated and air-conditioned.

A student population capped at 775 allows the offering of a broad curriculum whilst still achieving the intimacy that enables the development of a friendly and supportive environment and a true sense of community.

Warrandyte High School is committed to the pursuit of excellence in an environment that supports the growth of students as individuals and active participants in the global community.

Warrandyte High School expects its students to display the highest standards of academic endeavour and good citizenship. A sense of wellbeing and connectedness to the school are critical ingredients in both a student’s achievement of successful learning outcomes and their personal development. Warrandyte High School encourages a strong community ethos and the development of educationally rewarding staff-student relationships. Students at all year levels wear full school uniform and are encouraged to take pride in themselves and their appearance. A highly effective Whole School Welfare and Discipline Policy reinforces and supports a culture in which student initiative, creativity and involvement are nurtured.

a focus on excellence and student wellbeing

Warrandyte High School is an academic school with a rich history of excellence, not only in academic achievement, but also in sport, interactive digital media, music, technology, theatre/drama and visual arts.
